SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. §§ 1.97 and 1.98, the references on the enclosed Form PTO-1449 are submitted herewith for consideration by the Examiner of the above-identified application. All but one of the cited references are U.S. Patents and in accordance with the Official Gazette of August 5, 2003, in which the USPTO waives the requirement under 37 CFR 1.98(a)(2)(i) for submitting a copy of each cited U.S. patent and published application for U.S. applications filed after June 30, 2003, the Applicants have not enclosed copies of the cited U.S. patents. Applicants have enclosed copies of the single foreign patent document and the cited non-patent literature document.

The enclosed information disclosure statement supplements the initial information disclosure statement filed on October 11, 2005. It is believed that none of these references, alone

or in proper combination, discloses or suggests the invention claimed by the applicants. The Applicants request that the Examiner review and consider the references and make them references of record.

The Information Disclosure Statement is being filed before the mailing date of a first Office Action and supplements the original IDS. The Applicants believe no fee is due at this time.

If any fees are owed in connection with this communication, please charge Deposit Account No. 18-2284. (A duplicate copy of this communication is enclosed for that purpose.)

Respectfully submitted,

Thomas W. Ryan
